

PROTEK Body Protection Equipment – Body Protector Superior / Superior Comfort

A further development of our light body protection garnish „PROTEK Body Protector Standard“ with even better comfort. All edges are sewed with binding and provide lower skin irritatiopns in the edge area. Alternatively, the models “Superior” (with conventional padding) or “Superior Comfort” (with breathable padding) are available.

High flexibility and low weight characterized also the new PROTEK Body Protector Superior. Protect front and rear area as well as kidney area, shoulders, upper arm, elbow and forearm. Breastbone and backbone are extra padded. The outer material consists of high-impact polypropylene. Individual adjustments via Velcro closures. The fixation on the body is also on elastic Velcro closures. Optional are also several bags for your body protection equipment available.

Color	- Black
