

## BOLLÉ tactical Goggle – Model Defender

The Defender goggle is a new generation of ballistic goggles meeting the requirements of a multi-functional goggle. Designed for UN special forces and rapid deployment groups. It combines several advantages: fits over most prescription spectacles, can be fitted on helmets, press stud system to facilitate replacement of lenses. Supplied with clear anti-scratch (outside) and anti-fog (inside) polycarbonate lens of 2.2 mm. Furthermore you can order additional lenses with the same features in yellow or smoke.

<b>Frame</b>	- PVC with press stud																
<b>Colour</b>	- Black or nato green																
<b>Weight</b>	- 181 gram
