

ESS Profile NVG™

The patented ESS Profile NVG™ is the only compact military / tactical goggle system with no compromises. Created with direction from elite U.S. Special Forces groups, it has all the advantages of a low-profile, night-vision-compatible frame, without sacrifices in dust filtration, field of view, impact protection or anti-fog performance.

Includes: Two 2.8 mm polycarbonate high-impact lenses (Clear & Smoke Grey), an anti-reflective SpeedSleeve™ and a protective soft case.
