

ESS Striker TurboFan™

The original Striker TurboFan™ offers 2-speed exhaust technology in a goggle that fits over most glasses. Now featuring the robust PowerPod™ battery pack with a push-button switch, made tougher and positioned near the back of the head for snag-free operation. A single AA battery powers the two-speed fan system for up to 150 hours of continuous-speed operation.

The Striker TurboFan™ includes two 2.4 mm polycarbonate high-impact lenses (Clear & Smoke Grey), an anti-reflective SpeedSleeve™ and a protective case.

Anti-fog System	- Patented 2-speed TurboFan™ draws fresh air in through the goggle bottom and forces humid air out the top at up to 13,000 rpm.
ClearZone FC™ Lenses	- Advanced ESS ClearZone FC™ anti-fog and anti-scratch lens coatings - 2.4 mm impact-resistant lenses exceed ANSI Z87.1-2003+ and U.S. Military .22 caliber ballistic impact test MIL-V-43511C - 100 % UVA / UVB protection
Strap System Frame	- 40 mm durable elastic strap has rear buckle for quick release - Frame fits over most eyeglasses - Soft face padding for superior comfort, absorption and fit
Article-No.	- 2701501 Striker TurboFan (Black)
Notes	- Replacement lenses and other accessories can be found on our separate datasheet.
