

ESS Tactical Series™

- **Tactical Thermal™:** The Tactical Thermal™ is the benchmark goggle for tactical anti-fog performance. The ArcticZone™ dual-thermal lens provides outstanding fog resistance and impact protection in extreme temperatures. The 40 mm strap has a rear buckle for quick release. Includes a protective pouch and Tear-Off Lens Covers.

- **Tactical SC Thermal™:** Developed specifically for use with helmets, the Tactical SC Thermal™ features a slim 26 mm strap and the patented Speed-Clip™ system for quick strap adjustment. Velcro® tabs secure strap to helmet. The ArcticZone™ dual-thermal lens provides outstanding fog resistance and impact protection in extreme temperatures. Includes a protective punt and Tear-Off Lens Covers.

- **The Tactical XT™** is an economical high-performance goggle with all the core performance features of the ESS Tactical Series, without the accessories. Includes a ClearZone™ high-impact lens. The 40 mm strap has slides for easy strap adjustment.

ArcticZone™	- Dual-thermal anti-fog lenses for extreme temperatures (not included with Tactical XT™)
Lenses	- Impact-resistant lenses exceed ANSI Z87.1-2003+ and U.S. Military .22 caliber ballistic impact test MIL-V-43511C - 100 % UVA / UVB protection - Replacement lenses available in Smoke Grey, Hi-Def Yellow, Clear, ArcticZone™ dual-thermal and Laser Protective
Frame	- Frame fits over most eyeglasses
