

## NOWAR Operating Glove – Model Tactical Glove

This tactical glove offers very good protection and punch power by a special pit-iron sand padding in the knuckle part. This filling always lasts a protection zone owing to different chambers. Former models had one chamber where the filling slipped. This model is of soft leather so that it is very comfortable in wearing and provides a good handling of equipment such as batons or handcuffs. The lining is made of a skin-friendly textile material.

<b>Material</b>	- Leather
<b>Colour</b>	- Black
<b>Size key</b>	- Size S = 01 - Size M = 02 - Size L = 03 - Size XL = 04 - Size XXL = 05
