

ops-core® – CBRN Mask Extender

The ops-core® Gas Mask Extender can be used with all ops-core® Head-Lock™ Retention Systems. It adds 3.5" to the chinstrap, allowing it to fasten over the CBRN mask. The extender is simply attached and removed with one click of the buckle.

The Extender is available in urban tan, foliage green and black. An optional fleece chin cup / extender cover is available in black.

Color	- Urban Tan - Foliage green - Black
Sizes	- One size fits all
Article-No.	- ops-core CBRN Mask Extender
Note	- An optional fleece chin cup / extender cover is available in black.
